Multi-Purpose Suppressor

Model: Mystic X

Caliber: Way over 50 Calibers: See website for a complete listing

Weight: Approximately 10.5 ounces

Length / Diameter: 8.25" x 1.375"

Material: Stainless Steel / Titanium

Attachment: Multiple Styles

Approx. DB Reduction: 33db to 40dB depending on application.

MSRP: \$799

As of 16 MAR 2017, all serial numbers past MX2600 are rated for rifle calibers up to 300 WIN MAG with certain length restrictions. This allows the Mystic X to be used on virtually all hunting rifles!

6 Full Auto Ratings (7 Total)

Over 53 Caliber Ratings (Lots of T/C Calibers now to pick from)

New low profile lock ring that fits under most AR15 "Free-floating" handguards

New wrench-able lock ring can be easily removed

(Liberty offers an optional ring wrench that is designed for this application)

New baffle design improves performance while reducing weight

This is the most versatile silencer ever constructed. It has applications for the recreational shooter, competition shooter, as well as the hunter and even law enforcement circles.

A lot of first time suppressor owners are looking for as much utility as possible out of their first acquisition and the Mystic X is the clear choice.
